

## Kamenewo 6<sup>th</sup> October 1941

An adaptation of a scenario from the Rapid Fire book by Richard Marsh to BKCII.

This scenario depicts the Germans attempt to push on to Moscow.

### **Game Turns 12**

**Table size:** 6ft (180cm) x 4ft (120cm) in the original book uses a 9x5. **Map key** A 111 is a rectangle 10 cm by 30 cm

**Reinforcements:** Soviets enter from the North on the game turns indicated.

### **Victory conditions: Player gets 1 victory point for**

Soviet 1 Victory point if Germans Break or fail to get any units that counts to break off North edge

Soviet 1 Victory point if Germans take 25% casualties.

German 1 Victory point if Soviets take 25% casualties.

German 1 Victory point if Soviets break each ( nb German unit that counts to break off leaving North edge raises Soviet break point by 1)

Major Soviet Victory if +2 in Soviets favour Minor Soviet Victory if +1 in Soviets favour

Draw if zero Minor German Victory if +1 in German favour. Major German Victory if +2 in German favour
