

SPANISH ARMY IN COLD WAR COMMANDER

by Ivan Notario Lopez

Spanish Army is a modern and professional force divided in *Fuerzas Pesadas*, Heavy or armoured Forces and *Fuerzas Ligeras*, Light Forces. There are 4 Heavy Brigades: 2 Mechanised, *Extremadura* and *Guzman el Bueno*; 1 Armoured, *Guadarrama*; and 1 of Armoured Cavalry, *Castillejos*). These units has got Tanks LEOPARDOS and IFV PIZARROS. These are two of the most advanced combat vehicles in the whole NATO. Lights Forces are composed by infantry forces, 4 Brigades (*Alfonso XIII*, *Almogávares*, *Galicia* and *San Marcial*), and several Regiments and independents units.

There is a Helicopter Force (FAMET, *Fuerzas Aeromoviles del Ejercito de Tierra*), with TIGER like the modern Attack Helicopter.

The Spanish Marines Corps (*Infantería de Marina*) is part of the Navy, and there is one Brigade and a few independents units.
